

individuals who have been assessed a civil or criminal penalty for abusive and violent behavior will be included on the list of banned fliers. The bill also requires the TSA to explain how it will maintain its list of banned fliers, provide an explanation of how long the individual may be barred from flying based on the severity of the offense, and provide how the individual can seek to be removed from the list of banned fliers.

I believe this bill strikes the appropriate balance to assure fairness and transparency while sending a strong signal that violent and abusive behavior will not be tolerated. I am pleased that the bill is supported by both labor and the airlines, including American Airlines, Delta Airlines, Southwest Airlines, the Association of Flight Attendants-CWA, the Association of Professional Flight Attendants, Transport Workers Union of America, and the Transportation Trades Department of the AFL-CIO. I hope that my colleagues will join me in supporting this important bill.
